**Re: Invitation to participate in the 2016 Major & Signature Grants process**

Wednesday, April 1, 2015

Dear Trevor:

Thank you for participating in the Calgary Foundation's recent Major & Signature Grants process. The Committee felt the project was not as ready as it could be, and thus reached the decision to not support the *Centre for All abilities* at this time. However, the Committee invites and strongly encourages you to return with a stronger application in November of 2015.

Diversity and inclusion is a priority of the Calgary Foundation. We recognize that Calgary needs better programs and services that serve persons with disabilities. The *Centre for All Abilities* has the potential to positively impact many people's lives, inspire unique collaborations among service organizations and transform our city. Our committee looks forward to your participation in our Major & Signature Grants process in November when the project has reached a few more of its early milestones.

Thank you for the vital year-round role that Rotary Challenger Park plays in building and sustaining healthy and vibrant communities with active citizens.

Sincerely,
