Dear Jim,

I am writing to you to extend my personal support and the support of the United Way of Calgary and Area for your new development of the Phase 4 Project – **The Centre for All Abilities**. Calgary Rotary Challenger Park (CRCP) is showing leadership in our community by identifying how important a facility like this will be to all of Calgary.

We all realize how important the non-profit sector is in Calgary and the value the sector contributes to a healthy, vibrant city. Not only does United Way of Calgary and Area encourage collaborative initiatives, but we also know that non-profits can grow and flourish when we work together to build coordinated community support services. It is important that we have a solid infrastructure in place for non-profits to be sustainable as we all work together to support those who are less fortunate. The new Centre for All Abilities will assist non-profits to collaborate more effectively and to be more efficient in sharing a whole range of resources.

I commend you and the Board of the CRCP Society on your commitment to embark on such a wonderful collaborative project.

We have actively encouraged others to consider involvement in this project, and will continue to do so. We wish you all the best in your efforts to bring The Centre for All Abilities to a successful completion.

Sincerely,

Jill Wyatt
Vice President, Community Investments and Collaborations
