Dear James,

Thank you for sharing your exciting plan for a new Centre for all Abilities in NE Calgary. It is a wonderful opportunity to help create a one-stop-shop service for vulnerable Calgarians.

As we continue on our journey to make poverty a thing of the past in our city, your project aligns with this long term bold vision. Removing barriers and improving access to services and programs is an important component of the overall strategy of poverty reduction. The vision for the Centre for All Abilities has great potential to evolve to a hub in NE Calgary.

We would like to endorse your plan and wish you much success as you continue on your campaign to build and operate the Centre for All Abilities.

Sincerely,

Franco Savoia, Director
